# Scott Maddison

## *Head of HSEQ, Linbrooke Services Ltd*

Scott started his career in the Royal Navy and went on to be a leading engineer working in the UK, Falklands, Cyprus and Singapore.

In 2006, with NEBOSH Diplomas in both Occupational Safety and Health and Specialist Environmental Management, Scott was appointed Senior HSEQ Advisor at Balfour Beatty Utility solutions and went on to be promoted to Senior HSEQ Manager (Plant and Transport) in 2007.

Appointed as the Head of HSEQ for Linbrooke Services in 2009, Scott brought with him a widespread surfeit of experience and professionalism assembled through studies, training, various occupational positions and military service.

Outside of work, Scott enjoys spending time with his wife and children, listening to music – going to as many gigs as possible and keeping fit.
